

Kick-Off your future career!

Grassland Dairy offers students the opportunity to intern in a variety of fields related to dairy manufacturing. Students will receive valuable experience working in a world-leading manufacturing facility.

Students can experience hands-on learning, make professional career connections, and generate a potential full-time position. We employ professionals in a wide range of career options:

- Accounting
- Dairy Science
- Food Science
- Human Resources
- Industrial Mechanical
- Information Technology
- Logistics
- Manufacturing Engineering
- Production Management
- Quality Assurance
- Risk Management
- Safety
- Sales

Grassland offers internships year-round. Our application deadline for summer internships is March 1st, with a scheduled duration of 3 months.

This is a paid experience. Students are responsible for other expenses including mileage, housing, etc.

**Gain confidence through hands-on experience,
and apply for the Grassland Internship Program today.**
